John A. Gerace Jr. – Senior Clerk

CITY OF ROME 2017 LEAF COLLECTION

The City of Rome will **begin** its bulk leaf collection program on **Monday November 13th 2017**. The **weekly green waste curbside collection** and **brush chipper collection service** will **end** on **November 9th 2017**. Containerized leaves and brush piles placed at the curb after November 9th 2017, will be picked up by the bulk leaf collection crew.

The City of Rome will follow this schedule for the bulk leaf collection:

- 1) Monday's Green Waste Route
- 2) Tuesday's Green Waste Route
- 3) Wednesday's Green Waste Route
- 4) Thursday's Green Waste Route

**** Please refer to the City of Rome's Website and Daily Sentinel for updates as to when leaf collection crews will be moving onto another green waste route.****

In the event that collection crews are needed for snow plowing during this period we will cease leaf collection and when weather permits we will continue where we had left off in the collection schedule. After we have completed our first pass through the city, we will make a second pass.

Leaves must be placed behind the curb, not in the street. Leaves raked into the street cause traffic problems and storm sewer backups. Leaves raked to the curb or in containers should not have stones or rubbish mixed in with them. Contractors are responsible for their own disposal, leaves put to the curb by contractors, will be left at the curb.

ACCEPTABLE CONTAINERS: Biodegradable paper lawn & leaf bags or clean trash cans.

UNACCEPTABLE CONTAINERS: Plastic garbage bags, cardboard boxes and the city issued garbage and recycling containers.

City of Rome residents who do not want to wait for leaf pickup may bring their leaves in containers or bags and empty them at the City Yard Green Waste Transfer Station on Race St. The hours of operation for disposal are Monday- Friday (8:00AM – 2:00PM) and Saturday (8:00AM – 12:00PM). Residents must provide a valid driver's license and contractor's are prohibited. Should you have any questions please contact City Yard at 339-7778 Monday – Friday between 7:30 AM and 4:00 PM.

THANK YOU FOR YOUR COOPERATION
