MEMORANDUM OF UNDERSTANDING  
BETWEEN  
EASTERN AIR DEFENSE SECTOR/224<sup>th</sup> AIR DEFENSE GROUP  
AND  
CITY OF ROME POLICE DEPARTMENT

1. The purpose of this Memorandum of Understanding (MOU) is to reaffirm the working relationship between the 224<sup>th</sup> Air Defense Group (224 ADG) and the City of Rome Police Department. As New York Air National Guard members, the Security Forces are organized under the 224<sup>th</sup> Air Defense Group (224 ADG) supporting the Eastern Air Defense Sector mission (EADS). The mission of EADS is to counter all air threats to EADS assigned Area of Operations through vigilant detection, rapid warning, and precise tactical control of NORAD/USNORTHCOM forces. The 224<sup>th</sup> Air Defense Group is comprised of two squadrons; The 224<sup>th</sup> Support Squadron (SS) and the 224<sup>th</sup> Air Defense Squadron (ADS). The Security Forces fall under the 224<sup>th</sup> Support Squadron (224 SS/SF)
2. The 224 ADG is located on a Federal installation on the former Griffiss Air Force Base at 366 Otis Street, Rome, New York 13441. As a Federal Installation, all military and federal police agencies have jurisdiction to enforce federal and military law on the installation. The installation is surrounded by fencing and is posted. All entry and exit points are controlled twenty-four hours a day, seven days a week, by the 224 SS/SF (U.S. Air Force Security Forces) personnel.
3. Most of the former Griffiss Air Force Base, now known as the Griffiss Business and Technology Park, is within the corporate limits of the City of Rome and is under the jurisdiction of the City Rome Police Department. The lands immediately beyond the security fencing of 224 ADG are within the jurisdiction and protection of the City of Rome Police Department.
4. The 224 SS/SF are trained and tasked with protecting military and civilian members and the structures and equipment located on the installation.
5. When 224 ADG personnel are in a Title 10 status (acting as a part of the active duty Air Force), the 224 SS/SF have broad authority to protect military and civilian members as well as protect the structures and equipment located on the base, and to use the force necessary to accomplish the mission, under federal and military law.
6. When 224 ADG personnel are in Title 32 status (acting as part of the New York Air National Guard), the 224 SS/SF are operating as members of the New York State Military and are governed by the laws of the State of New York. The 224 SS/SF are not peace officers under the laws of the State of New York but instead Military Police.
7. When in a State status, 224 ADG will rely upon the City of Rome Police Department to provide law enforcement support to the 224 SS/SF, when requested by the 224 ADG Commander, to protect military and civilian members, and structures and equipment, and to use force, and lethal force, as authorized under New York State law.

8. The parties to this MOU acknowledge the special relationship that exists between 224 ADG and the City of Rome Police Department when 224 ADG personnel are in State status.
9. The 224 SS/SF are expected to resolve threat situations on their property where they have proprietary jurisdiction. The properties of 224 ADG is not located within a closed U.S. military installation and are located on a business technology park which is open to both pedestrian and vehicle traffic. The 224 SS/SF may establish a Base Security Zone (BSZ) and respond to neutralize threats directed against their mission. The BSZ is required by Instruction (AFI 31-101) to provide standoff capabilities from hostile threats against the 224 ADG mission. Situations may occur on or near the property of the 224 ADG where the City of Rome Police Department's assistance may be required. Civilian personnel detained by the 224 SS/SF will be released to the City of Rome Police Department for further processing. Upon the request of the 224 ADG Commander, the City of Rome Police Department agrees to provide the following police enforcement activities with a response determined during initial request:
- 9.1 **Active Shooter Response:** One or more subjects who participate in a random or systematic shooting spree, demonstrating their intent to continuously harm others. The overriding objective of one or more subjects appears to be that of mass murder, rather than other criminal conduct such as robbery, hostage taking, etc. It also includes anyone who uses any other deadly weapon to systematically or randomly inflict death or serious bodily harm on 224 ADG personnel over a continuous or extended period of time.
- 9.2 **Hostage Situation:** The holding of any person against their will by an armed or potentially armed suspect(s).
- 9.3 **Barricaded Suspect Situation:** The standoff created by an armed or potentially armed suspect(s) in any location, whether fortified or not, who is refusing to comply with police requests to surrender.
- 9.4 **Suspicious/Criminal Activity:** Person(s) conducting suspicious/criminal activity in or around the property of the 224 ADG such as surveillance, theft, or destruction of New York Air National Guard and United States Air Force's property.
- 9.5 **Arrest Warrant:** Any person(s) discovered by the 224 SS/SF, to have an outstanding arrest warrant and/or wanted by the U.S. Justice Department and/or any Federal, State, or local law enforcement agency for questioning.
- 9.6 **Special Personal Protection:** The security of specific persons, such as visiting dignitaries, witnesses, or suspects, based upon the threat or potential threat to the well-being of these individuals.
- 9.7 **K-9 Support:** The response from the City of Rome Police Department K-9 may be required for the detection of explosives, narcotics, suspects, or witnesses on the property of the 224 ADG.

**9.8 Non Traditional Air Threat (NTAT) Support:** The response from the City of Rome Police Department may be required for assisting in the identification of a pilot/operator of an UAS (Unmanned Aerial System) that could potentially be a NTAT (Non Traditional Air Threat) that is being operated above, on, or near the property of the 224 ADG. Further assistance from City of Rome Police Department may also be required in conducting a field interview of the pilot/operator and identifying (through FAA written guidance) the type of aircraft being flown, if aerial surveillance was conducted and recorded, and if the aircraft is a potential threat and/or violated 18 USC 795.

9.9 The Chief of Police for the City of Rome Police Department, shall, in his/her sole discretion or that of his/her designee(s), determine the City of Rome Police Department availability to respond to a request by the 224 ADG, which said decision of whether or not to respond shall be based on, among other things, the City of Rome Police Department's resources and priorities. By entering this MOU, the City of Rome Police Department shall undertake all reasonable efforts to comply with a request from the 224 ADG; however, this MOU does not establish any heightened priority, special duty, or preferences from the City of Rome Police Department to the 224 ADG.

10. The 224 SS/SF will:

10.1. With the approval of the 224 ADG Defense Force Commander or the 224 Security Forces Manager or his/her representative, notify the City of Rome Police Department and request civilian police response.

10.2. Advise the City of Rome Police Department or the Oneida County 911 Emergency Dispatcher of where civilian response forces are needed to respond with a name and/or a radio call sign for a point of contact for the 224 ADG.

10.3. Provide the City of Rome Police Department DOMOPS (Domestic Operations Support) through operations, training and resources.

10.4. Provide assistance in acquiring training sites within the Griffiss Technology Park including sites under the control of Oneida County.

10.5. Provide the use of the 224 SS/SF F.A.T.S. Room (Firearms Training Simulator). Provide logistical, instructor, and range support in the use of UTM (Ultimate Training Munitions) and/or FX marking cartridges products for training for law enforcement personnel to include City of Rome Police Department Academy cadets.

10.6. Provide operation support to the City of Rome Police Department's Special Response Team by providing staging area support in 224 ADG facilities

10.7. Provide the use of the 224 SS/SF's night vision and thermal imagery devices to affect the arrest of wanted felon/suspect, the search for a missing person(s) and/or conducting surveillance in law enforcement operations.

11. The 224 ADG and the City of Rome Police Department are both responsible for the actions of its members. This MOU does not change such status or obligation.

12. This Memorandum of Understanding shall be effective when signed by the 224<sup>th</sup> Air Defense Group Commander and the Mayor of the City of Rome, the Rome City Public Safety Commissioner, and the Chief of the City of Rome Police Department. This agreement to provide law enforcement support may be modified at any time by the consent of the parties or terminated upon thirty (30) days written notice.
