### **MAYOR'S OFFICE ANNOUNCES LEAF PICKUP SCHEDULE**

The Mayor's office announced today that leaf pickup will resume throughout the City.

"With the sudden onset of lake effect snow, our City leaf pickup crews were forced to switch over to snow removal duties and put leaf pickup on hold. Our plan is to resume leaf pickup as soon as possible as weather conditions improve, possibly as early as tomorrow. Unfortunately, this was an unusual year for leaf pickup as an unseasonable fall weather pattern kept the leaves on the trees longer. This resulted in leaf pickup getting behind the usual schedule by approximately two weeks waiting for the leaves to fall from trees. We appreciate the public's patience," said Mayor Jacqueline M. Izzo.
