

**NOTICE OF AVAILABILITY OF PROPERTY ACQUIRED BY
THE CITY OF ROME FOR NON-PAYMENT OF TAXES**

The City of Rome annually acquires property through tax foreclosure. The city used to dispose of these properties via an annual mass auction, similar to those conducted by the County of Oneida. While the auction does serve the purpose of quickly returning the parcels to the tax rolls, it does not solve other ills often associated with the properties. The buildings often suffer from codes violations and extended neglect. Returning the parcels to the tax roll in this condition would simply perpetuate the problem.

The city administration has found that the problems associated with tax sale properties are more adequately addressed through a rehabilitation program, as opposed to a public auction. For this purpose, the city has assembled the real property committee to review proposals from interested buyers. Any person wishing to buy city owned property is required to submit a completed proposal form for the property. **The minimum bid on all properties is \$1,000 unless noted otherwise. Incomplete proposals will not be evaluated.** Proposals are evaluated based on use of the property, scope and length of rehabilitation, and offering price. The applicant must demonstrate sufficient financial ability to carry out the terms of the agreement. A quit claim deed to these properties will only be conveyed if and when the rehabilitation is complete. If the buyer defaults in performing the rehabilitation, any investment or improvement made to the property is forfeited. The buyer's obligations are more fully set forth in a detailed rehabilitation agreement.

Proposals must be delivered in a sealed envelope labeled:

Real Property Proposal

Proposer Name

Property Address

To:

Rome City Clerk
198 North Washington St
C/o Real Property
Rome, NY 13440

Proposals will be accepted on the last business day of each month by 4:00pm to the Rome City Clerk Office. Proposals will be opened in the Common Council chambers at Rome City Hall immediately following the monthly proposal deadline. Late proposals will only be considered subject to property availability following the deadline and evaluation of on time proposals. The available property list will be updated each month subject to property proposal acceptance.

Properties may be inspected via appointment by calling 315-339-7637

Proposal forms may be obtained at Rome Code Enforcement office or at www.romenewyork.com. The proposal will be evaluated by the real property committee. If the real property committee recommends in favor of a proposal, it will be submitted to the common council and board of estimate and contract for approval. If the committee is not in favor of the proposal; it will not be submitted to said bodies. Proposers approved by the common council and board of estimate and contract will be contacted to enter into a rehabilitation agreement.
